Welcome Back & Welcome Mrs Peters
Welcome back to all students and staff for what will be another busy term. I remind all students that they need to work consistently in class over the whole term and prepare thoroughly for their examinations in order to achieve a final report that is a true reflection of their abilities, and of which they can be proud.

I would like to extend a warm welcome to our new Deputy Principal, Mrs Lynda Peters. Mrs Peters was the successful applicant for the position vacated by Mr Ward.

To celebrate "Be Kind to Animals Week", a whole school initiative was lead by Lauryn on behalf of the SRC to raise awareness of animal welfare to allow students and staff to take positive action for the protection of animals. Students and staff were asked to wear a green accessory or clothing item on Wednesday 16th September to show their commitment to being kind to animals. This raised $139.75 for the RSPCA. Also, daily tips focusing on how to improve animal welfare were placed in the student notices.
