Student Leaders Induction
The official induction assembly for our new SRC and School Captains/Vice Captains took place last Wednesday. They have all shown a genuine desire to be part of a team that makes a difference at Crookwell High and I congratulate them all.
Our guest speaker, Ms Susan Reynolds spoke on leadership, particularly on the leadership role that a community organisation such as the Country Women’s Association can play in our community. Once again the assembly was strongly supported by parents and guests and they were treated to fine musical performances from Kate Jansen, Matilda Weatherspoon, Laura O’Keefe, Wade Picker, Daniel Cartwright and Liam King.

P & C Meeting
Our next P & C meeting will be held in the Library on Wednesday, 4th of November, commencing at 6.30pm.
Our guest speaker will be our new Deputy Principal, Mrs Lynda Peters.
Brian Hudson
Principal

Maths Help
Come along to Maths Help next Monday lunchtime, Room 8.
Anna Robinson - Head Teacher Mathematics/Technology

Have you missed some Information
If you missed a previous newsletter, they are available on our school website. You are able to access our school website using this QR Code, or by going to

Snake Tails
Wednesday 21st October
Cost $7.00
Snake Tails is a multi-award winning, interactive learning experience, proudly featuring only Australian reptiles.
Bob Withey, owner and senior presenter, was five when he got his first diamond python.
Bob has over 25 years of experience in breeding and displaying reptiles. He has been keeping reptiles for more than 50 years.
We have had to reschedule his show to Wednesday 21st October. Students who paid earlier will be automatically credited with payment for this performance. Students who haven’t paid yet, please do so as soon as possible.

Mobile Phones
It is a school expectation that students do not bring mobile phones. If they need to bring a phone to school they must hand it in to the front office and pick it up at the end of the day. If you need to make contact with your child during the school day, phone the office on 4832 1421 and the office staff will make sure your child receives the message. If your child needs to contact you during the school day they can come to the front office or the Deputy Principal to use the school phone.

Uniform
I have been very pleased to see so many students demonstrating pride in their school by wearing our uniform. A few students have been in black socks this week and I have reminded them that the expectation is white socks.
Lynda Peters - Deputy Principal

HSIE News
Best wishes to our Year 12 students in their HSIE subjects Business Studies, Legal Studies and Ancient History examinations … and their other subjects too! Their very experienced & dedicated teachers Mr Walker, Mrs Bramley and Mr Roberts have worked diligently to successfully complete their course and to prepare the students for the HSC examinations.
Our Year 11 has commenced their HSC courses and if they have worked hard in the Preliminary Course they will find that the content is no harder, just building on their new found knowledge and understanding. There is no shortage of work, and with the internet, there is plenty of study and background reading that the students can do. The other junior years should already be hitting the books in preparation for their yearly examinations as well as completing assessment tasks to the best of their ability. The main thing to remember is that the HSIE courses continue until the end of the year and that students must maintain their excellent attitude and work throughout the term.
Last Friday Mrs Bramley provided students from Years 7,8,9 with the opportunity to attend a Medieval and Ancient History show where a historical expert on Medieval and Ancient Culture performed two historical demonstrations, presenting an educational and entertaining view of life in the Medieval, Ancient and Viking Historical periods. Look out for the Crookwell High Facebook page for photos of this fun event.
Michael Dark - Relieving Head Teacher HSIE/PDHPE

Uniform Shop Specials

Girls Tights $8.00 each Small & Average

The uniform shop is stocked and ready for your summer uniform needs
Industrial Technology - Multimedia
A lot has been happening in Industrial Arts this term. We are into our third rotation in Years 7 and 8 and all students are looking forward to completing various projects in Woodwork, Metalwork and Multimedia.
Year 9 Multimedia have just completed their short films and have submitted them into the “Films by the Sea” film festival. Each short film had an interesting storyline and some great acting, especially by Lachlan Grocott!
Year 11 are just about to finish the Preliminary course and we are very pleased with their efforts. They are now encouraged to start thinking about what project they would like to construct for their major project.
Congratulations to Year 12 who recently had their major projects marked by HSC examiners and we wish you the best of luck in the written component of the course.

Industrial Technology - Timber
Year 10 have been working hard to finish these quality table designs. The students designed the size and aesthetics of the table with some making coffee tables and others bedside tables. Well done to the students on completing such high quality products. Keep your eye out for more pictures on the school facebook.

Year 11 have completed high quality folios and projects this year. They have demonstrated excellent design skills manufacturing some interesting jewellery containers. They have shown enthusiasm and have developed new skills ready to produce their HSC major projects.
