Congratulations Mr Ward
Crookwell High School Deputy Principal, Mr Jeffrey Ward, has been successful in his application for the Principal's position at Condobolin High School. Mr Ward will commence at his new school at the beginning of next term and I would like to congratulate him on his well-deserved promotion. Relieving arrangements, until the Deputy Principal position is filled, will be outlined in a later newsletter.

SRC President & Deputy President
As part of our drive to promote more student leadership opportunities in the school, the Student Representative Council has established the positions of President and Vice President. These officeholders will be responsible for the day to day running of the SRC and chairing of meetings. Congratulations to Max O’Brien and Molly Davies who are the inaugural President and Vice President respectively.

International Women’s Day
It was great to see students and staff supporting activities commemorating International Women’s Day last week. There was a very positive atmosphere at the “HeForShe” morning tea in the quad as the school was entertained by an excellent array of musicians. Students also participated in a RAGE activity and had the opportunity to show their solidarity for gender equity by making the HeForShe pledge and the Pledge for Gender Equity on the International Women’s Day website. Thank you to Mrs Woolley and Mr Wong for their organisation of these activities.

Brian Hudson - Principal

KOREA
A reminder for all parents and students interested in going to Korea this year there will be a meeting at 6pm Wednesday 18th March in the Library.

Open Night
At the recent Open Night visitors were asked to complete a stamp card by visiting as many of the displays as they could and getting involved in the activities on offer. The draw took place at Monday’s assembly, and the winner of the $50 Davies voucher was Rohan Gamble. The Mathematics faculty was also running three estimation competitions and the winners are below:
- Vase Capacity (1.65L) Samuel Abbey
- String Length (142cm) Koen Tracey
- Pumpkin Mass (9.935kg) Chloe and Jacob Griffiths

Thank you to everyone who visited Open Night and took part in all the activities on offer.

IA News
The last couple of weeks have been particularly busy in the Industrial Arts faculty with the recent senior excursion to Studio 10 and the ABC studios, as well as a great turn out to Open Night last week where visitors made around 100 dog tags in the woodwork room and enjoyed various activities in the Technology room. In Multimedia Year 9 students are enjoying the new course; they are currently working on creating a travel poster for a holiday destination. While in Year 11 the class have started working on the design folios for a project of their choice.
In Woodwork, Year 9 students have created folios and are now starting the construction of their jewellery container designs. Year 10 are showing great enthusiasm and a range of skills in designing their various table projects. The exciting process of manufacturing the bedside, phone or coffee tables is now underway.
All Year 12 students are in full swing working on their Major HSC projects which are due in early August and we wish them all the best in completing high quality creations.

Nathan Wong & Steve McCrorey – Industrial Technology

Congratulations to Year 12 and the SRC who recognised International Women’s Day by supporting the United Nations HeForShe campaign. Our Captains gave an address on assembly which acknowledged gender equality as a human rights issue requiring everyone’s participation. The whole school completed a Rage activity in Year Groups and explored the HeForShe Website. Staff and students attended a HeForShe morning tea in the Quad which brought the school together and raised awareness. Thank you to all the students and staff for supporting International Women’s Day. A special thank you to Bella, Jack, Meg and Tyson for selling ribbons and congratulations to the talented Musicians who entertained us with live Music throughout the morning tea. The sale of International Women’s Day ribbons totalled $217.00 which will be sent to UN Women Australia to assist victims of violence and abuse. Well done everyone!

Donna Woolley - Girls Supervisor
**REMINDER:** Year 9 Camp deposits ($200) are due by Friday, 20\textsuperscript{th} March.

**What's on the Menu in Food Technology, Hospitality and Textiles**

7 and 8 Mandatory Technology
Both of these classes are working in the Textiles room. Year 7 will be designing and making aprons and draw string bags, while Year 8 will be working on boxer shorts. Sewing machines and overlockers are in use now. Both of these classes will use evaluation tools to reflect on the success of their projects.

**Year 9 Food Technology**
As new students to this classroom, these students have been studying hygiene, storage of food, causes of food poisoning and will continue this unit with the study of the chemistry of food and the sensory assessment of food.

**Year 10 Food Technology**
This class has begun the year with the study of the Australian food supply; from indigenous beginnings to the development of our current cuisine. An introductory tasting session of Kangaroo sausages and patties, and a modern twist on damper, with more tasty delicacies to come!

**Year 11 Hospitality**
This small but capable group have started their course work with a unit on using hygienic practices for food safety. They have begun their practical experiences by catering for 60 guests at a school function.

**Year 12 Hospitality**
These students continue their course work on a large unit based on Food and Beverage service. From the process of setting up, taking orders, carrying multiple plates to tables, and closing down after service, this unit covers it all! Some students in this group were involved in espresso service on open night.

---

**Open Girls Cricket**
Recently the Open Girls Cricket team travelled to Cooma to compete against Monaro High School. Faced with a long car trip before the match, the girls were eager to get on the pitch and display their skills. Monaro batted first and made a total of 45 runs. During their innings Annika Picker starred with the ball getting 5 wickets for only a handful of runs, a great performance! Maggie Anable and Sharni Unterheiner each bowled well and were backed up by some great fielding by the rest of the team. When it came our turn to bat, the girls were confident of making the runs. Jayde Della opened with Charlotte Selmes to create a partnership that got most of the runs. Jayde hit a fantastic six that brought the team to their feet.

With a contribution from Grace Smith, the Crookwell girls easily attained the target in only 10 overs. Congratulations to the girls for their strong performance.

*Micheal Dark – Team Manager/Coach*

**TAX FILE NUMBERS (TFN)**
For all students who wish to undertake paid work:
TFN applications are now to be applied for online. Students will then need to attend an interview at Australia Post. Go to https://smarteform.com.au/onlineforms/ato/tax-file-number-application-or-enquiry-for-individuals/ and print off the application summary. Within 30 days of completing your online application, go to an Australian Post Office with your printed application summary and proof of your identity. The documents you require vary depending on whether you are over or under 16 years of age.
