Principal’s Report
Junior Reports & Parent Teacher Night
Mid-year reports for Years 7-10 are being finalised and will be posted out towards the end of next week. Our Parent/Teacher evening will be held in the second week of next term, on Tuesday 21st of July, from 4.00pm to 7:00pm. Students will be issued with booking sheets in the first week of next term in order to organise appointments with teachers.

School Uniform
As the weather has become cooler I have been very pleased with the standard maintained by students with their uniform. Well done everyone!
Just to clarify, multi coloured jackets are not part of the uniform and nor are multi coloured scarfs. Scarfs should either be blue or white. Your continued support at home is sought to ensure that all students are in full school uniform, particularly black shoes.

Your Child’s Health
Parents are reminded that we welcome up to date information from parents about your child’s health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child but is also important that you let us know if your child’s health care needs change or if a new health condition develops.

Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. This will greatly assist our school in planning to support your child’s health and wellbeing.

Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts.

We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter’s health needs or as otherwise required by law.

PROUD
The SRC is starting a new initiative this term called PROUD. PROUD stands for
Participation
Responsibility
Opportunity
Understanding and:-
Different

The aim of the PROUD program is to promote these characteristics in the students of Crookwell High.

Each fortnight, the SRC will focus on a characteristic of being proud and students will be asked how they have shown that characteristic throughout the fortnight. The SRC will then select a response to place in the newsletter and read at assembly. The student with the selected response will also receive an award and a $20 canteen voucher.

Congratulations to the following winners:
Participation: Brent Jackson participated in various school based activities including the Wood Show Challenge
Responsibility: Ellis is responsible for helping people when they are sad
Opportunity: Renee took the opportunity to purchase a grateful card to help support those affected by the earthquakes in Nepal

Open Boys Hockey
Our Open Boys Hockey team has recently played two games in a knock-out competition. Initially we glided through the first round as Queanbeyan High School forfeited their match against us. We then played Bega High School in Goulburn and had a very exciting win of 8-2. The following Friday we played a formidable Goulburn High School team who beat us 6-2. The team worked extremely well together and showed a great capacity to score goals in the first game against Bega. In the second game they showed their resilience where after being down 5-0 at half time, they were able to unite as a team and keep Goulburn attack at bay, and even pop two of their own in the goal. The members of the team were Izack Gibbs (Goalie), Sam Skelly, Isaac McGregor, Max O'Brien, Jordan Unterrheiner, Jacob McGregor, Ollie Anable, Riley McKenzie, Brad Smith, Henry Marks, Robbie Smith and Bailey Anderson. Mrs McCormack was very proud of the way the boys played and it was a very enjoyable excursion to be a part of. Thank you to the parents who helped us out with transport to Goulburn, goalie gear and turf key.
