**MADD Night**

Congratulations to everyone involved in last week’s outstanding night of entertainment. There was huge diversity in the program with opportunities for actors, dancers, singers and musicians to shine, and what a great job they did!

Thank you to Mrs Woolley and her dedicated team of staff members who spent many hours in rehearsal with students, setting up displays and providing technical and backstage support for the performers, as well as those students who played an integral role off stage. Once again it was great to see the evening so well supported by our community.

Next week’s newsletter will be a special MADD edition but, in the meantime, you can visit our Facebook page and website to see some of the highlights.

**YEAR 12 STUDY SESSIONS**

Last week Year 12 study afternoons began in the library with *Mathematics* and *Industrial Arts*. Students were able to get extra feedback about their recent trial exams, as well as more questions about areas that they wish to clarify.

These sessions are held from 3:30pm – 5:00pm on *Thursday* afternoons.

*September 3*  HSIE & PDHPE

*September 10*  English, Visual Arts & Music

Please remind your Year 12 student to sign up for these sessions in the study room each week.

**Maths Help**

Come along to Maths Help with Mrs Dark next Monday lunchtime, Room 8.

*Rebecca Dark - Relieving Head Teacher*

*Mathematics/Technology*

**Girls Knockout Hockey**

Over the course of the last two terms Crookwell High School Girl’s Hockey Team have competed in the state knockout competition. I would like to start by thanking all the parents for their support over this time, particularly those we will not see next year and won’t have the opportunity to thank in person. Special thanks must also go to Michael O’Brien for his support for girl’s hockey over many years and his invaluable skills in helping with the organisation of fields, umpires, travel and training. This event would have been far more difficult without his incredible support.

Over the course of this knockout competition the girls have travelled to Bega, Goulburn, Narellan and Sydney to compete against schools from right around the state.

I am very proud of the girls as they showed exemplary behaviour and ‘sportsmanship’ at all times. The last game we played was against Kingscliff. This formidable opponent who knocked us out last year proved to be a tough game again this year. With many state level players in the Kingscliff team our girls can hold their heads high going down only 2-1. The team finished in the top 16 in the state and I look forward to next year’s competition.

*Andrew Whittle – Team Manager*

SRC Regional Camp
Last week Lauryn Needham and Annie Croker attended the regional SRC camp at Murrumbateman. Giselle Croker and Molly Davies also attended the camp representing the Southern Tablelands as Regional SRC leaders. Lauryn and Annie attended various workshops and forums that covered topics to improve student welfare in schools. Molly and Giselle were responsible for leading and running various group sessions with other student leaders. All four girls will be able to bring back new and exciting ideas to share with Crookwell High’s SRC.

Nathan Wong – SRC Coordinator

STOP PRESS: Congratulations to Annie Croker who was selected to be a reserve leader on the SRC regional team. As a result, she will be an SRC rep next year at Crookwell High.

Multimedia Excursion
Students in Years 9, 11 and 12 were given the opportunity to visit The Powerhouse Museum and Google to supplement the industry study component of the course. At the Powerhouse Museum students visited the Interfaces exhibition and were able to explore past, present and emerging technologies. At Google, students met with software engineers and were able to ask many interesting and thought provoking questions. Students then went on a tour of the Google offices. A great time was had by all.

Nathan Wong – Technology (Multimedia)

What’s Cooking in Food Technology.....?
The Food Technology room has undergone some renovations after a successful application for a grant through VET funding. New equipment for the room includes 6 stainless steel benches and a class set of café tables and chairs. In conjunction with the espresso machine and commercial double door refrigerator (financed by the P & C), the room is taking on a new look. If you are in the school call into the Food Technology room and check it out!
Also keep an eye on the menu board outside of the Food Technology room to see “what’s cooking” from week to week. These practical experiences aim to develop culinary skills as well as literacy and numeracy skills. Recipes are posted in the mail boxes outside the room. All students at Crookwell High School experience Food Technology in stage 4 of their education and then may take Food Technology as an elective in stage 5 or Hospitality Studies in stage 6.

Tracey Marks – Food Technology/Hospitality
